A — Dan goods	\$629.47	From lines above (MEMBER prices where flagged)
A — Dan delivery	TBD	Formula: Landed A = \$629.47 + Dan delivery fee
B — Harvey goods*	\$180.00*	*Confirm shelf; flyer expired
B — Harvey delivery	\$0.00	Pickup
ORDER TOTAL LANDED	\$809.47* + Dan delivery TBD	Do not approve spend until Dan fee + Harvey shelf confirmed

90-second committee talk

“We compared Dan Murphy’s, Cellarbrations on Uduc Road, and Liquor Traders in Wembley. For this order we use **two suppliers only**: Dan’s for the main list (delivery to 6220), and Harvey Cellarbrations for Swan — because Dan’s doesn’t stock it — plus any mid specials we confirm by phone. Landed cost is goods plus delivery. Harvey pickup is zero dollars delivery. Dan’s delivery fee is still TBD until checkout. Nothing is purchased until Rose or I say yes.”

Still need before buy

1. Rose: confirm on-hand / Ideal and edit Qtys.
2. Phone Harvey Cellarbrations (08) 9729 1404 — confirm Swan \$62 and Hahn 3.5 \$56 still on shelf (flyer expired).
3. Dan Murphy’s: open checkout (or account) for **delivery fee** to 6220; re-check Corona 330 live price (volatile).
4. Optional Perth trip only: if already at Wembley, move Schweppes glass cases / Guinness 24 / White Claw / Absolut to LTA — still max two stops.
5. Duncan or Rose: explicit yes before any payment.

Not included: wine, sponsorship, three-way splits, LTA as a default stop. Demo / helper-app sample prices (e.g. Source tab \$247.80 mix) are excluded — sample only.
