

Harvey Bowling Club — Supplier comparison

Committee walkthrough · Monday 21 September 2026 · Bar ordering only (sponsorship dropped)

PRICE FRESHNESS: Dan Murphy's scouted **6 Sep 2026** · LTA / Harvey catalogue compare dated **1 Sep 2026** · Cellarbrations WA Z1 flyer **EXPIRED 6 Sep 2026** (phone before relying). No invented AUD figures. Delivery fees unknown → **TBD**.

1. Who can supply the club

Supplier	How they supply Harvey	Delivery / terms (on disk)	Role in Monday plan
Dan Murphy's WA	Online / Bunbury store (~44 km). Postcode 6220 delivery available (regional).	Fee / minimum / free threshold: TBD (not shown without checkout). Click & Collect Bunbury yes.	SUPPLIER A — main truck for most beer / RTD / spirits / mixers.
Cellarbrations / Celebrations Harvey 80 Uduc Rd	Walk-in / Click & Collect. Local to club.	Pickup: \$0 delivery cost, no minimum. Site said no delivery to 80 Uduc Rd / Harvey local area (scraped 1 Sep). Phone (08) 9729 1404.	SUPPLIER B — local pickup for Swan + confirmed catalogue lines.
Liquor Traders Australia Selby St, Wembley	Trade / pickup in Perth. Not a local Harvey stop.	Delivery to Harvey: TBD (no live fee on disk). Demo UI once showed example \$18 — not used . Practical model = pickup when already in Wembley.	Compared for prices only. Not in the two-supplier split unless a Perth trip is already on.

Talking point: We compare three shops for price intelligence, then buy from **exactly two** — Dan Murphy's (delivery) + Cellarbrations Harvey (pickup). LTA stays a Perth-trip option, not a third stop this week.

2. Key bar lines — who is cheaper (where we have figures)

GST-inc AUD. Blank / "—" means no figure on disk for that supplier. ★ = cheapest among suppliers that have a price on disk for that line.

Swan Draught case 24	—	\$63.18	\$62.00	Harvey ★ (Dan not listed)

Absolut 700ml	\$51.95	\$50.40	—	LTA ★ (Perth)
XXXX Gold cans 30 (flyer)	—	—	\$62.00	Harvey flyer only — EXPIRED

Note on Corona 330: the 1 Sep fair-price chart recorded Dan at **\$59.99**; the 6 Sep live scout recorded **\$66.99**. Treat as volatile — re-check before buy. Flyer specials at Harvey (Swan \$62, Hahn \$56, etc.) **expired 6 Sep**; phone (08) 9729 1404 to confirm shelf.

3. Category winners (from figures on disk)

Category	Best on disk	Why
Local staple beer (Swan)	Harvey Cellarbrations	Dan does not list Swan Draught. Last known Harvey \$62 vs LTA \$63.18 — confirm phone.
Core stubbie volume (Dry / Mid / VB / Blonde)	Dan Murphy's	Only priced supplier for these lines on disk; MEMBER Mid/Blonde strong.

Corona / Cruiser / Bundy GB / Jameson	Dan Murphy's	Dan cheaper or sole price on disk (Bundy GB clearly: \$30.99 vs LTA \$39.91).
Schweppes glass cases / Guinness 24 / White Claw / Absolut	LTA Selby (if in Perth)	Clear cents-off vs Dan — but needs Wembley stop. Not worth a dedicated Harvey→Perth run for mixers alone.
Overall Monday default	Dan + Harvey (two stops)	Covers Swan + mainstream list without a Perth trip. Landed cost = goods + delivery (TBD on Dan) + \$0 Harvey pickup.

4. How the two-supplier split works

Landed cost for each supplier = **sum of item prices assigned to that supplier + delivery fee** for that supplier.

- **Dan Murphy's landed** = Dan goods subtotal + Dan delivery fee (**TBD** until checkout / account quote).
- **Harvey Cellarbrations landed** = Harvey goods subtotal + **\$0** (pickup at 80 Uduc Rd).
- **Order total landed** = Dan landed + Harvey landed.

We do **not** add a third supplier. If someone is already going to Wembley, swap Schweppes / Guinness-24 / White Claw / Absolut onto LTA and drop those lines from Dan — still keep exactly two stops.

Contacts context: scout bots report to Drunken. **No purchases without Duncan / Rose yes.** Rose Cumine runs the bar.
